21ST EUROPEAN CONFERENCE
ON COMPOSITE MATERIALS
FOR ACADEMIA AND INDUSTRY

WWW.ECCM21.ORG

The 21st European Conference on Composite Materials (ECCM21) will be held in **Nantes, France, July 2-5, 2024.**

This edition is organized by Nantes University, under the patronage of the European Society of Composite Materials (ESCM). ECCM21 will bring together more than **1,000 participants from academia and industry** who share an interest in composite materials.

This well-known conference series is the European forum for the exchange of knowledge on recent achievements and future trends in the field of composite materials. The ECCM has always generated interest and attracted participants from all over the world.

ECCM21

02-05 July 2024
Nantes - France

Destination Nantes

Following in the footsteps of Jules Verne or Anne of Brittany, discover a city where heritage and architecture, town planning and landscapes are constantly enhanced by a touch of creativity. A city that is welcoming and easy to get to, a city that breathes, that takes care of its residents and visitors. A creative and engaged destination.

Venue: La Cité des Congrès

For more than 30 years, La Cité des Congrès de Nantes has been one of the major conference centers in France.

A place for hosting and producing professional and cultural events. It is the setting for the most beautiful national and international events and contributes to the influence, attractiveness and development of the Nantes region.

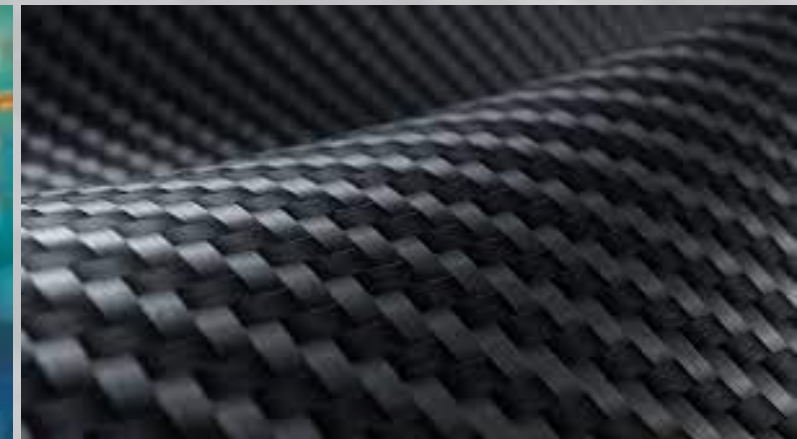

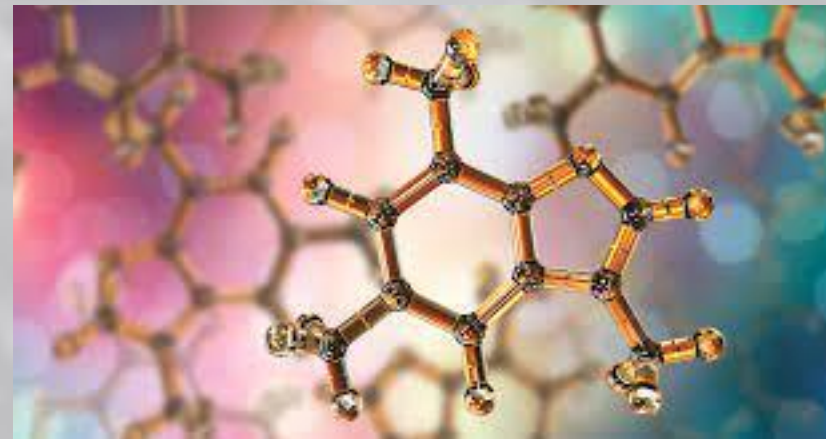

The Cité des Congrès is located in the city center of Nantes, less than 10 minutes walk from the train station.

Address:

5 Rue de Valmy
44000 Nantes
